

## Vendors Needed for **Animal Welfare Society's Bark in the Park**

Dear Prospective Vendor,

The Animal Welfare Society of Jefferson County is having their ninth annual Bark in the Park on June 3rd, 2017 at Jefferson Memorial Park in Charles Town, WV. We are looking for vendors to participate for the day from 10:00-2:00, with set up beginning after 8:00 am. If you would like to set up a booth to display a craft or business register by completing the attached vendor form and return to the P.O. Box #. For more information call Jane Turner at 304-725-5972. A 10 ft. by 10 ft. vendor space will cost \$25.00. You must provide your own set up (tents or canopies are recommended but not necessary). Vendors do not need to be pet-related. Many people come to the event to watch the fun and visit the vendors. Animal Rescues will be provided space free of charge.

If you have attended in the past, you know that a good time is had by all. For those of you not familiar with the event, it is a day of play for dogs and their owners. There is a blessing of the animals, a pledge walk, demonstrations, raffles, canine contests, vendors and food.

If you know of other vendors who may be interested in attending, please forward this information to them. All proceeds from this event will go directly towards helping the less fortunate animals in our community residing at the AWS shelter. The no-kill shelter is located on Old Leetown Pike near the Jefferson County Fairgrounds and has been serving the community since 1952, [www.awsjc.org](http://www.awsjc.org) and face book us. We hope to see you there.

Sincerely,  
Jane Turner
