INDEPENDENT AUDITORS' REPORT ON FINANCIAL STATEMENTS

To the Board of Directors
Animal Welfare Society of Jefferson County, Inc.
Charles Town, West Virginia

We have audited the accompanying financial statements of the Animal Welfare Society of Jefferson County, Inc.(a nonprofit organization), which comprise the statement of financial position as of December 31, 2015 and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Animal Welfare Society of Jefferson County, Inc. as of December 31, 2015 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The Animal Welfare Society of Jefferson County, Inc. ("Society") is a private, nonprofit organization dedicated to the health and welfare of animals. The Society's support comes primarily through public support, service revenue, membership dues, and special activities and events. The Society's work includes providing food and shelter for homeless animals. Additionally, the Society provides spay-neuter, inoculation and adoption services. The Society relies on public sector contributions to fund its operations.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under this basis, revenues are recognized when earned and expenses when incurred.

Basis of Presentation

The financial statement presentation follows the requirements of the Not-for-Profit Entities Presentation of Financial Statements Topic of the FASB Accounting Standards Codification. Under the Standards, the Society is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, including unrestricted-designated, temporarily restricted net assets, and permanently restricted net assets. *Unrestricted net assets* are those currently available for use in the Society's general operations under the direction of the board and those resources invested in land, buildings and equipment. *Temporarily restricted net assets* are those stipulated by donors for specific operating purposes or for the acquisition of property and equipment or those not currently available for use until commitments regarding their use have been fulfilled. *Permanently restricted net assets* are those contributed with donor stipulations that they be held in perpetuity with use of income for unrestricted or temporarily restricted purposes.

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents

The Society considers all short-term investments with an original maturity of three months or less to be cash equivalents. All bank deposits and certificates of deposits are FDIC insured.

Investments

Investments in equity securities with readily determinable fair values and all debt securities are carried at fair value in the statement of financial position with gains and losses included as unrestricted in the statement of activities.

Land, building and equipment

The Society's policy is to capitalize land, buildings and equipment over \$1,000. Lesser amounts are expensed in the year incurred. Purchased land, buildings and equipment are stated at cost. Donated assets are recorded at fair market value at the date of contribution. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Depreciation on property and equipment is calculated by use of the straight-line method over the estimated useful lives of the assets of 5 - 28 years.

Revenue recognition

The Society recognizes revenue under the Not-for-Profit Entities Revenue Recognition Topic of the FASB Accounting Standards Codification. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

All donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donated goods and services

The Society receives donated goods and services from a variety of community donors and unpaid volunteers assisting the Society in its programs. The value of these goods and services are not reflected in these statements since they do not meet the criteria under the Not-for-Profit Entities Revenue Recognition Topic of the FASB Accounting Standards Codification.

Income Tax Status

The Society is a not-for-profit organization and is exempt from federal income taxes under Internal Revenue Code Section 501c(3). The Society files its tax returns in the United States federal jurisdiction. These forms for the years ended December 31, 2012, 2013, and 2014 are subject to examination by that jurisdiction generally for three years after they were filed.
